LIMITED EDITION

Edicion Limitada (**Limited Edition**) originally made its appearance in 2001 with the launch of the Partagas Piramides. Characterized by a specially prepared and aged dark Maduro wrapper the cigars sported a unique gold and black band with the year of production. The

distinctive wrapper leaf for these cigars receives an additional mini fermentation for a period up to 25 days at higher than normal temperatures to achieve the unique dark, marbled texture. This additional fermentation also serves to impart approximately 10% more strength to the cigar as

indicated by the "toasted" taste of the tobacco.

Cohiba - 1966, Ramon Allones - Allones Extra & Hoyo de Monterrey - Short Piramides are the newest Limited Edition. There are also the older edition that we still carry from 2001 to 2010.
