Cigars - 15% for purchase by stick and 20% for box purchases.

Sencillo is blended with Habano de Jamastran tobacco for the wrapper, filler, and binder and Piloto Cubano tobacco in the filler, making this cigar a puro of tobaccos grown in Honduras. This is a medium to full bodied cigar with plenty of spicy notes as well as some leather and earth qualities.

Angelenos is named after the city of Los Angeles and is the newest line from Prometheus, creator of the God Of Fire cigars, and made by Tabacalera A. Fuente y Cia. This is a mild cigar with a great complexity, nice creamy buttery flavor with a pleasant spice through the nose and a hint of sweetness in the finish.

REMEMBERING THE LATE DATUK KADAR SHAH

We are deeply saddened with the lost of the late **Datuk Kadar Shah Tun Sulaiman Ninam Shah** .

According to Utusan-online news article. He passed away at Pantai Medical Centre, Kuala Lumpur around 2:30 a.m. on November 19th, 2011 at age 64. The same hospital where his father (the late Tun Sulaiman Ninam Shah) died on July 5th, 2003 at age 83.

A well known businessman-politician. His greatest hobbies is collecting golf clubs, antique paintings, watches, vintage of rare & old Harley Davidson motorcycles. But what is most interesting is that he likes to collect cigars, Cuban especially & the accessories (from high range lighters to limited edition humidors). His passion for cigars was enthusiastically that he even hosted &

entertained the legendary Don Alejandro Robaina (famous Cuban tobacco grower) as his guest of honour during the time Robaina's visit to Malaysia in 2005. Don Alejandro was very pleased that he wanted to come & visit Malaysia again by all means. Addressing with the age factor, Alejandro was not allowed to travel far distance in the future. He died later on March 20th, 2010 at age 91. All thanks to Dato' Kadar Shah for Alejandro opportunity to come & see Malaysia for its different cultures & traditions.

His presence, laughter & jokes through out the years in Havana Club will always be remembered by the staffs. We would like to express our deepest condolences to his family members for their losses of a great, unique man that some of us might have a grief impact
