HAVANA CLUB OUTLETS

Since our establishment in the early 90's, Havana Club has continued to import and impart authentic Cuban experiences to its patrons, from the acquainted connoisseur to the simply curious visitor.

Our heritage is found in our flagship outlet, nestled within another time-locked city landmark, Concorde Hotel Kuala Lumpur. This glass enclosed Habanos den boasts the most extensive collection of vitolas in town, with its walk-in humidor selfishly assuming the floor space much to the pleasure of its patrons. Our vintage cigar range is only matched by our seasoned service professionals, who's passion over the leaf, grain and grape gives this dim-lit venue its truly unique charm. Further, the outlet's terrace lends guests a street side view of

KL, in line with our view to blend in the aesthetics of the locality for our patrons.

In seeking to provide versatility in environment as the occasion may necessitate, Havana Club outlets can be found in three additional locations around the fast expanding metropolis of Kuala Lumpur.

To cater for our business travel guests, we have established venues in Le Meridien Hotel located at Kuala Lumpur Sentral and One World Hotel located within the commercial township of Petaling Jaya. These outlets offer patrons privacy to convene discussions in comfort, whilst purveying our full cigar range complemented with extensive food and beverage offerings set to serve the wants of

the most discerning clientele.

In recognising the growing need by our members for a space to host exclusive events, with the flexibility to cater for unique themes discretely, we have opened a forth outlet at the secluded Duta Vista Executive Suite Hotel. The venue is equipped with full entertainment and service facilities to accommodate for sizeable and intimate affairs alike. Needless to say, during non-event operations, the venue is open daily for hotel and walk-in guests offering the service trimmings of the Havana Club benchmark.

Havana Club invites you to experience our outlets and range of service offerings as we continue to broaden our operations across Kuala Lumpur's urban landscape.
